Vintage Range

The Vintage Flush range has taken inspiration from classical architecture, period doorbells, and art deco influences, combining style with modern technology and materials.
GSM

IP / 4G

Offered in 4 ranges; The Praetorian Guard, Cellcom Prime7, Multicom Classic, and Multicom 4 Button.

Available in several colour combinations to complement your gates and doors. The Vintage range will suit converted Victorian townhouses or Georgian mansions to Parisian apartments or period architecture. But equally at home as a centrepiece for a modern entrance.

Scroll for name, or enter apartment number then press CALL
